

Drivers Tests This Weekend In Abbotsford

APPOINTMENTS SHOULD BE MADE EARLY; ONLY FOUR DAYS ALLOTTED

Motor vehicle drivers in this Area have an opportunity this week and during the next two weeks to voluntarily take the new drivers' examinations required by the Provincial Government.

The travelling test unit, it is officially announced in another column, will be at Abbotsford from 9 a.m. to 9 p.m. on Friday and Saturday of this week. It will return on Monday, April 17, and again on Saturday, April 22.

Appointments to take the tests should be made with the Provincial Police at Abbotsford.

Approximately 600 motorists volunteered for their tests last week at Chilliwack. The rush for appointments speedily reserved the entire time of the testing staff for the initial visit and the balance of the 2000 drivers in Chilliwack district must now wait till the unit returns, probably in May.

It is understood that no licenses were cancelled at Chilliwack, although numerous restricted licenses were issued to those hard of hearing, poor in sight and to amputation cases.

Skids off Unguarded Highway

SKID ON WET SURFACE SENDS ISLAND MOTORIST OVER HIGH EMBANKMENT

J. B. Creighton of Duncan, Vancouver Island, in Abbotsford with several players entered in the B.C. Junior Badminton championships, was victim of an unfortunate accident about 11 o'clock Tuesday night when his car overturned on the Trans-Canada highway near its junction with Delair road. Mr. Creighton, with his son, Murray, and one or two other players, was billeted with the Staffords. He had made an earlier trip out with the young people, returned to Abbotsford to send a news report on the tournament to the Cowichan Leader of which he is managing-editor, and was going back to the Staffords'. Apparently Mr. Creighton passed the junction of the roads and realizing he should have turned off applied his brakes. The black-top pavement was wet and very slippery, the car skidded and shot over the unguarded 25-foot embankment. It rolled over several times and landed upside down in the ditch containing three of four feet of water.

Windows of the sedan were closed and, unable to break one, Mr. Creighton finally managed to turn one down and crawl out onto the embankment and made his way in the darkness to the road. No one heard the accident and Mr. Creighton made his way to Staffords'.

He sustained only minor cuts about the head but the car body was badly damaged.

EASTER SERVICES WELL ATTENDED AT SMALLER CENTRES

Easter services conducted by Rev. A. G. Gay in the United churches at Clayburn and Mt. Lehman and Poplar were well attended. The services at all three were marked by their music and that at Poplar with soloists and large choir compared favorably with services of larger centres.

At Mt. Lehman the soloist was Miss Verona Farber and a duet was sung by Miss Farber and Miss Jean McDonald. At the Clayburn service Mrs. Wil. Baynes was soloist and the church was well filled. The senior C.G.I.T. Group gave a reading, "The Legend of the Lilies," at Poplar church, Mrs. Busby sang the solo and the Poplar choir gave an impressive rendering to the Easter music and hymns.

NAME MAY QUEEN

Margaretanna Thomson, daughter of Rev. J. Currie Thomson, pastor of St. Andrew's United church at Mission, and Mrs. Thomson, was elected the 19th Queen of May by pupils of the Mission central elementary school. Her maids of honor will be Lois McRae and Maxine Thomson.

Badminton Championships Reach Finals on Thursday

JOINT B. C. AND C. F. V. TOURNEY BEATS OWN RECORD AS CANADA'S LARGEST WITH 469 ENTRANTS PLAYING

With 319 entries in the third annual Central Fraser Valley events and 150 in the British Columbia series, the annual Junior Badminton Championships being staged in the Sheffield Memorial Auditorium, Abbotsford, opened Monday morning and are now shaping away for the finals scheduled for tonight and Thursday night. The tournament, being staged here for the third time, broke its own record established last year as the largest of its kind in Canada and one of the largest in North America. Total entries in 1938 reached 398 and this time aggregate 469. New impetus has been given the provincial series which is enjoying for its 19th annual tourney an unusually large entry.

The Central Fraser Valley classes reached the semi-final stages Tuesday and finals will be played tonight. Principal valley centres with the exception of Langley are represented by their outstanding players and competition is keen. Results up to Tuesday night follow, outside players being designated.

B. C. SERIES

Many outside centres are represented by their district champions in the B. C. Tourney which also got underway Monday, but is only this afternoon approaching the semi-finals stage. Among the best known names in provincial junior badminton circles represented in the entry are Jean Eckhardt, formerly of Mission but now of Vancouver, Ken Meredith, Vancouver men's champion, J. Muir of Vancouver; Alan France, Kelowna; Murray Creighton, under 17 singles champion of Vancouver Island; M. John and E. Hearne of Salmo, Keotenay champions; outstanding players from the large clubs at Powell River and the Cariboo's best from William's Lake; Bralorne and many others. Two interesting players are Marion Butler, Washington state champion, and her team mate, Doris Deacon from

Seattle, who have found strong competition here.

GOOD PLAY

With games in progress from 9 a.m. to late in the evening, and with eliminations still in progress in classes having 20 to 30 or more entries, it is too early at press time to forecast results. Excellent badminton is being demonstrated by the young people as well as remarkably good sportsmanship and capacity houses are expected in the gallery for the finals tonight and Thursday night. Upsets from the expected provide the chief interest in the eliminations to date such as the defeat of Alan France and Richard Trethewey in the under 20 doubles by Murray Creighton, Duncan, and Gordon Beniface or Gordon Head, 15-10, 15-9. France, however, eliminated Leese of Powell River in the under 20 singles, 15-8, 15-10. Another surprise in Girls under 18 singles occurred when Seattle's Marion Butler was beaten by D. Edwards of Chilliwack, 11-3, 11-9. Jean Eckhardt was advancing easily. Two Abbotsford favorites went to three games in this class before Naomi Bailey (Continued on Page Five)

Vimy Ridge Anniversary Is Observed

There was a good turn-out of ex-servicemen and their friends at the annual Vimy dinner and concert in the Orange hall on Wednesday night under auspices of the M.S.A. Branch, No. 16, of the Canadian Legion.

Speeches were brief and to the point and after an excellent dinner provided by the Abbotsford Auxiliary to the M.S.A. General Hospital adjournment was made to the upper hall where entertainers from the Coast provided a lively program. President H. Peachey presided.

Ald. Wm. Matthews of New Westminster, first vice-president of the Provincial Command, referred to the great success of the National Veterans' Survey. Registration of ex-servicemen as volunteers to take the place of younger men and relieve them, if required, for more active service was proceeding apace he said. He also spoke briefly on Legion matters stating the organization was making considerable progress despite many difficulties.

Arche Payne of Murrayville, vice-president of the Provincial Command, congratulated the local branch on its progress, spoke highly of the Dominion president, Col. W. W. Foster, and also referred to the Veterans' Survey declaring almost 100 per cent. registration demonstrated the willingness of the veterans "to be right there" if and when the need arose.

"The Legion," Mr. Payne stated amid applause, "works and strives for peace but will be prepared if it's war."

Pat. Hall of Chilliwack, Zone representative, was warmly received. "Canada as a nation was born that day 22 years ago when the Canadian Corps captured Vimy Ridge, a feat of arms that reverberated round the world," he declared. The Canadian Legion was a continuation of the spirit of that occasion, he said, and appealed to the members to loyally support their officers as there was much to be done and help was needed.

Reeve Cruickshank urged every citizen on May 31 when the King and Queen briefly stop in the district "to show the world this is an integral part of the British Empire" by turning out in force for the occasion.

Commissioner H. McFadyen spoke on behalf of Abbotsford.

MORE AMERICAN VISITORS NORTH THIS EASTER

Traffic from the south through the Port of Huntingdon showed a favorable increase during the 4-day Easter weekend. Good Friday to Easter Monday, compared with the same period last year. Number of Canadian cars going southward, however, showed a decrease compared with the 1938 weekend.

The total number of Canadian cars out bound was 531 with 1905 passengers while northbound Canadian cars numbered 508 with 1823 passengers. There were 78 more cars outbound with 227 more passengers last year. Little Easter buying by Canadians who holidayed south of the line was evidenced this year.

American cars entering Canada via Huntingdon totalled 216 with 780 passengers, a gain of 28 and 123 respectively, over 1938 figures. Outbound American cars totalled 219 and 788 passengers, gains of 19 and 88 respectively.

Vancouver Island Editor Pays Glowing Tribute To Shuttle Tournament Here

Duncan Badminton Club, Vancouver Island, which has given B. C. some of its outstanding shuttle players; Dick Birch, twice Dominion singles champion, and Anna Kier Patrick, many times Canadian woman champion, to mention only two, is represented by Murray Creighton, under 17 Island champion. His father, J. B. Creighton, managing-editor of the Cowichan Leader, Duncan, brought Murray and several players from other Island centres to the tourney and pays the following fine tribute to the events here:

"Abbotsford has done a really fine job in the organization and staging of the combined B.C. and Central Fraser Valley open and closed badminton tournament. In the matter of entries and enthusiasm new records have been set which will be hard to equal and the community in its treatment of its visitors has shown a breath of hospitality and community spirit that few ever equal and none ever surpass. To the visitor it is delightful and charming. For the home folks the event is undoubtedly a big task but it is done with a spirit which gives evidence that it is a pleasure.

"As for the tournament itself, Abbotsford has been placed very definitely and prominently upon the badminton map in this province and the very definite promise shown by various junior players in the whole valley area portends a time when these players, then matured, will be knocking in numbers on the portals of provincial and Dominion fame.

"The talent gathered at Abbotsford for the triple event comprises practically all the best juniors in the

Bulb Show At Bradner Saturday

ARRANGEMENTS COMPLETE FOR REVIVED FLORAL SHOW THIS WEEKEND

Alderman Helena Guttridge of Vancouver, a former Mt. Lehman resident, has been invited by the Bradner Bulb Growers' Association to formally open the Bulb Show to be held in Bradner community hall on Saturday, April 15. The ceremony is scheduled for 2 p.m.

Jack Cornett, acting-mayor of Vancouver and president of the Vancouver Horticultural Society, A. G. Dickson, president of the B.C. Tulip Association and Reeve George Cruickshank and members of Matsqui municipal council have also been invited to attend officially. J. W. Winson of Huntingdon is judge of the ribbon show which has been revived by the Bradner association after a lapse of several years.

Final arrangements for the event were made at a meeting of the bulb growers on Wednesday night when all indications pointed a very successful show, bloom in the bulb gardens having advanced rapidly.

44 Patients Treated At Hospital

A total of 44 patients were cared for in M.S.A. General Hospital in March and the days of treatment aggregated 285, according to the monthly report of the matron, Miss Archibald. This compares with 45 patients and 287 days of treatment in the preceding month, February.

There were 10 patients still in hospital on March 1 and 29 were admitted during the month and there were 5 births. Eight patients remained on April 1 while 32 had been discharged during March, and 4 had died.

Types of cases were: Medical, 13; major, 3; minor, 9; obstetrical, 7; newborn, 7; fractures, 3; T.B., 2.

Districts from which the patients originated and the total days of treatment were: Matsqui, 27 patients and 178 days; Sumas, 9 and 54; Abbotsford, 2 and 24; unorganized districts, 6 for 29 days. The number Out Patients was 7. Average stays in hospital was 6.5 days.

PEGGY FISHLOCK TO BE 27TH M.S.A. "QUEEN OF THE MAY"

The final drawing for May Queen and attendants was held in Abbotsford Theatre on Saturday night with the following result: May Queen—Peggy Fishlock, age 14, Grade VIII, Upper Sumas school, Whatcom road. Miss Canada—Verna McDonald, age 14, Grade VIII, Mt. Lehman superior school.

Princess—Vivian Golos, age 13, Grade VIII, Abbotsford elementary school.

The names were drawn by little Valerie Walters. Candidates from grades VII and VIII of other schools in the M.S.A. Area who participated in the drawing are: Stralton, Jessie Mathers; Huntingdon, Myrtle Waterston; and Peardonville, Julia Bodzas.

Queen-Elect Peggy will be crowned May Queen at the 27th annual May Day festival of the M.S.A. District to be held in Abbotsford on May 24 under auspices of the Loyal True Blue Lodge, No. 244.

Reeves Seek Relief Data At Victoria

DELEGATION APPOINTED TO OBTAIN STATEMENT ON GOVERNMENT'S INTENTIONS

The Fraser Valley Reeves' Association, at its annual meeting held at New Westminster Thursday, decided to send a delegation to Victoria to ask the Provincial Government what it plans for 1939 in connection with relief, educational costs and hospitalization charges.

The association will seek the co-operation of the Union of B. C. municipalities in connection with the delegation.

An answer will be sought before May 15, the date by which the municipalities must fix their tax rate.

COSTS INCREASED

Reeve John Hunter of Surrey pointed out that in his municipality relief costs had increased from \$14,000 to \$18,500 because of a change made last year in connection with classification of "unemployables."

Reeves Alex Paterson, Solomon Mussallem, John Hunter and Alex C. Hope were appointed a committee to draft a plan of the municipalities' situation which will be given to the official delegation for presentation to Victoria.

Reeve Solomon Mussallem of Maple Ridge was unanimously elected president of the association for 1939 with Harry Davenport, municipal clerk of Maple Ridge, as secretary.

PROTEST CHANGE

A resolution was passed protesting against the suggested change in the British Columbia Hospitals' Act, to define "a person unable to pay for hospital services."

A draft of the proposed definition was contained in a letter sent to various municipalities from the office of Percy Ward, provincial hospital inspector.

Lower street lighting charges will be sought from the B. C. Electric Railway Co. Ltd., for Fraser Valley municipalities, according to Reeve R. C. MacDonald of Coquitlam, who said an application will be made to the new Public Utilities Commission. The Reeves' Association pledged its support on such an application.

CLEAN-UP DAY THIS THURSDAY

Trucks will be calling this Thursday at all houses in Abbotsford to haul away the accumulation discovered in spring cleaning attic, basement and garden. This is the annual and official "Clean-Up Day" when the Board of Commissioners authorize free collection of garbage set out conveniently for the trucks.

It is distinctly specified, however, that the stuff householders want taken to the dump must be conveniently placed to the roadside and be in easily handled boxes or other containers.

TAX NOTICES FOR ABBOTSFORD IN THE MAILS

Property owners of Abbotsford are receiving their 1939 tax notices this week. Rates remain the same as in 1938; nine mills for general purposes, two mills for lights, and one mill for hospital on assessed land values and 50 per cent. of assessed value of improvements. A 10 per cent. penalty is added to current taxes unpaid on July 1. School tax notices were mailed out some time ago by the Provincial Collector, New Westminster. He will be in town on a day to be announced in June.

Matsqui Hall Finances In Good Shape

ASSETS OF \$6500 ARE REPORTED AND NO DEBT; OFFICERS R-ELECTED

A highly satisfactory financial report, probably the reason for the slim attendance, was presented at the annual meeting of Matsqui Hall Association held on Monday night. The report showed the association to be entirely without liabilities and with assets exceeding \$6500. It is published in detail in this issue of THE NEWS.

With a cash balance of \$96 carried over from 1937, revenue for the year was shown to be \$2301 and after clearing off a note and interest amounting to \$416 and meeting all other expenses left a cash balance of \$113 at April 1 this year.

Further improvements to the fine hall, one of the largest and most popular for sports and dances in the Fraser Valley, were considered. Inquiries will be made prior to the May meeting of the directors on the cost of installing an electric venting system.

Four retiring directors, I. Hodgins, J. Lundstrom, William Kunzmann and Earle Kerr, president, and W. two-year terms. Other directors are W. H. Adams, O. T. Jacobson and A. J. Rottluff. At a subsequent meeting of the directors they re-elected Earle Kerr as president, W. H. Adams as vice-president and W. H. Kunzmann as secretary-treasurer.

The meeting endorsed a motion that an annual stipend of \$60 be granted the secretary and also that a fee of \$1.50 be accorded each director for services during a dance and \$2.50 for attendance during larger balls, May 24, Dominion Day and New Years. They will wear distinguishing ribbons.

Find Relics Of Indian Occupation

Indian relics representing a notable degree of artistry and craftsmanship are at present in possession of J. M. Rowley, Government vendor at Abbotsford. The articles are loaned by L. A. Coghlan of Mt. Lehman who uncovered them during cultivation of his farm.

One stone vessel is obviously in the likeness of a sockeye head and has apparently been carved from a form of lava stone. Intent of the sculptor of another vessel more obscure but the outline may be that of an owl in what would be termed today "modernistic" lines. Third relic, which came from a Mt. Lehman furrow, is a beautifully finished stone chisel about four inches long with a blade about 1½ inches across. It is made from a green stone and has been worked to a sharp edge and hard, glossy finish.

Somewhat similar discoveries have recently been reported at Chilliwack, the Progress stating:

"An interesting relic which probably dates back to the days when the valley belonged to the Indians was discovered by Joe Lambert while working on a piece of newly-cleared land on the Carson farm, now owned by Mark Hicks, Gibson road.

"The relic, an Indian mortar, is of sandstone and is circular in shape, five inches high and nine inches in diameter. It is fashioned in the shape of a woman's head, with hair lines cut in the rock. The eyes, nose and mouth are visible. The piece is in a fine state of preservation.

"A circular hole has been cut at the top of the head, indicating that the piece was used as a mortar."

\$100 FINE FOR POSSESSION OF PUNCHBOARD

Wm. Temple ("Bud") Haddrell of the Abbotsford Hotel was fined \$100 and costs when convicted by Magistrate Geo. F. Pratt in Abbotsford provincial police court this morning on a charge of using a common gaming device—a "punchboard." Peter A. Biro, pool room operator, Abbotsford, on a similar charge, was fined \$10 and costs as a first offender.

Ex-servicemen registering under the National Veterans' Survey, may register at the Canadian Legion hall, Abbotsford, where forms are available.

Do We Lead or Do We Follow?

With the activities of the B. C. Coast Vegetable (potato) Marketing Board very much to the fore these days it is of interest to note the activities of grower organizations and market control in other countries.

In the show window of the *News* this week there is displayed (by courtesy of New Westminster Board of Trade) a publication of the Republic of Argentina. It is a splendidly conceived magazine with pages 11x16 inches and telling its story in the universal language of pictures with but brief foot notes.

We have opened this magazine which advertises the products and modern methods of the Argentine so effectively, at the first of two double pages of pictures dealing with potato growing and marketing. One picture, 22 by 10 inches, depicts a potato field scene. It shows men and women carefully harvesting a very uniform size in large baskets and transferring them to sacks. An interesting feature of the sacks is the distinctive trade mark and lettering on the sacks. Other field operations are shown in smaller pictures while on the other "spread" is illustrated the careful marketing measures adopted. Individual potatoes are being weighed, the bags are weighed and when filled bags are sewn the printed tag is shown being sealed on.

It was recently reported in statistics from Ottawa that Argentina and Uruguay imported about 300,000 bushels of certified seed potatoes from Canada during the 1938-39 season, as compared with 1,186,784 bushels in the 1937-38 season. A paragraph in English under the second group of pictures referred to above gives the Argentina side to the Ottawa report. It says: "Because of several very bad potato crops, the Ministry of Agriculture prepared a plan for the renovation of the cultures with certified seed potatoes from other countries. The beneficial results of this policy were seen in the season 1937-38 when on 127,029 hectares, the production attained the record figure of 952,000 tons, against 511,272 tons on 159,065 hectares in 1935-36."

After viewing these pictures illustrating how other countries are seeking markets with graded, branded products grown from the best obtainable seed, perhaps we can understand the emphasis being laid on similar policies by our co-operative marketing boards and provincial and dominion departments of agriculture. Do not think this applies to potatoes alone, Mr. Poultryman, because in the same issue of this Argentina agricultural propaganda is a similar 4-page spread illustrating grading, testing, packaging, etc., of eggs. Six pages feature grain culture, several deal with fruit, two with fish breeding—maintaining one of the tourist attractions of the republic, and several pages depict industrial scenes.

If farms could choose their owners, would your farm choose you?

Building Community Pride In Matsqui

More than a playground and picnic spot is being created in the six acres surrounding three sides of Matsqui Municipal hall at Mount Lehman. At one time the setting at this point was as rugged as any that confronted the pioneers who settled the Fraser Valley—and for a long time it remained that way.

In recent years a move to beautify the civic centre of the big municipality was instituted and has gained marked impetus as more and more of the citizens began to see what the originators have visualized. A tangle of forest growth has now given place to grassy swards, picnic groves, borders and plots of flowers and shrubs as well as a playground for children and youths.

That the move has made a strong appeal to the citizens is evident by the donations of both labor and plants that have been appearing from all parts of the municipality. It would appear, if you are fortunate enough to secure Reeve George Cruickshank or Municipal Clerk J. W. Pennington as your guide around the Mount Lehman Park, that Matsqui citizens have been vying with one another to enhance the scene of their annual municipal picnic. Gifts of ornamental trees, native and from the "Old Country," and of plants, shrubs, seeds and other ornamentation have been made by farmer, laborer, tradesman, professional man and even by those on relief. And speaking of the last named, while much of the work of developing the park has been done by relief labor, the interest of these municipal employees has not ceased there. They have volunteered much extra time and contributed many of the rustic features and attractions that add to the beauty and convenience of the grounds.

And there is one feature which fittingly crowns the beautiful little park in its rugged pastoral setting. It is the first thing that strikes the eye of pedestrian or motorist as he tops the hills approaching the civic centre and it is the Union Jack, symbol of liberty and justice throughout the world, proudly flying from a tall mast in front of Matsqui Municipal Hall and Park.

British Columbia's mining industry will distribute more than \$40,000,000 in the province this year in purchase of supplies and equipment, wages and salaries and will pay out an additional \$11,000,000 in dividends.

Beneficial Publicity For The Fraser Valley

Maple Ridge, through the initiative of the junior board of trade and two of three local business places, who contributed to the cost of producing the descriptive folder last year, received considerable publicity from the efforts of the International Scenic Loop Association.

This year affords a far greater opportunity for the scenic beauties of the municipality to be publicized, as the descriptive folders will be placed at the San Francisco fair and the name of Maple Ridge made known to the thousands of tourists who are looking for some place to spend a holiday.

This municipality possesses scenic attractions of a varied nature that no other municipality or district has. With Garibaldi Park only a stone's throw from our front door, and some of the best hiking, fishing and mountain sports that are in easy reach, we should lose no opportunity to take advantage of the wonderful possibilities that are ours to encourage these tourists to make a stay in Maple Ridge, and to get behind the International Scenic Loop Association in their efforts to publicize the Fraser Valley.

—North Fraser Leader, Haney.

FARM and RANCH TOPICS

Tobacco Varieties Offset Rot

Since the early days of the tobacco growing industry in Canada, varieties have played an important role in production, states R. J. Haslam of the Dominion Experimental Station at Harrow, Ont., in an article on "The Importance of Variety in Tobacco Production." As far back as 1880, records show that the introduction of a variety of Burley from Kentucky by an Essex grower practically saved the tobacco-growing industry in Canada, after a committee investigating depressed farms' prices recommended the abandonment altogether of tobacco-growing in Southwestern Ontario. Twenty-five years later, the flue-cured type was introduced which further stimulated the industry. It was not until after the Great War that dark tobacco was first grown commercially in Canada.

Previous to 1930, the flue-cured varieties, Warne and Hickory Pryor, produced the bulk of Ontario's Bright tobacco. With the passing of the stalk-cutting method of harvesting, however, these two varieties passed completely from the picture, and White Mammoth, Bonanza, and Yellow Mammoth soon became established, after being tested at the (Continued on Page Seven)

NEW STALLION FOR SERVICE IN FRASER VALLEY

A new stallion for service among horse breeders in the Fraser Valley has been obtained by the Dominion Government.

W. H. Hicks, superintendent Dominion Experimental Farm, Agassiz, announces that one of three Clydesdales recently purchased by the federal government will go to the Experimental farm for use in the Valley.

The new stallion will take the place of "Radiance," well-known draft horse that was used in the Valley for several years.

ACCORD SUPPORT TO SUMAS C. T. A. RESOLUTION

At the monthly meeting of Chilliwack Cow Testing Association the directors unanimously passed a motion sponsored by the Sumas association that C. T. A. records be accepted on registration papers. At present only record of performance figures are quoted on the forms.

Charles Johnston was re-elected president of the association. Harold W. German was elected vice-president to replace A. W. Pearce. W. S. Annis was re-elected secretary-treasurer.

Mardiros Tatolian, 110, believed the oldest man in Canada, died in Hamilton, Ont., Sunday.

Bradner Shipping Tons of Blooms

Bradner bulb growing district received nice publicity in the Coast press last week when several references were made to the growing Matsqui industry and the quantity and quality of the blooms being shipped to the cut flower trade at New Westminster and Vancouver. One report mentioned that 200,000 blooms were shipped to the two cities last Wednesday.

On Thursday night it is reported by J. P. Carr of Mt. Lehman, one of the leading growers, that a shipment of three tons (by Pattullo bridge sales) of cut blooms was made to the Coast; the truck making two trips with 1½ tons of blooms each trip. Another shipment was made Friday but the rain on Saturday killed further movement at the weekend.

Acreage planted to bulbs varies from about one to five acres with 15 growers engaged in the industry, all but two or three being in the immediate Bradner district, the others at Mt. Lehman.

INSPECTION OF BRADNER BULBS

R. J. Hastings of the government inspection service, Sarnia, Ont., is expected this week or next in the Bradner district. He will make an inspection of the bulb fields as one of the preliminary moves being undertaken by the Bradner Bulb Growers toward certification of Bradner bulbs which will be a guarantee of the superior type of product from the Matsqui district.

CLOVER SEED EXPORTS SHOW BIG INCREASE

Up to the end of February, 1939, about 4,000,000 lb. of the new crop of red clover seed in Canada had been bought by the domestic seed trade. Exports from July 1, 1938, to January 31, 1939, were 247,800 lb. During the same period the total exports of alaska clover seed were 3,493,200 lb., compared with 717,000 lb. in the corresponding period of 1937. The 1938 commercial production of registered and certified seed barley is estimated at 131,000 bushels and 59,000 bushels respectively; and of seed wheat, 257,000 bushels registered seed, and 2,300,000 bushels certified seed.

You Can Go Places And Do Things When You Drive A Ford V-8

Spring days beckon brightly and the urge is to "go places and do things" quickly, troublefree and enjoyably. And to go places and do things troublefree and enjoyably means to do them economically and that is where Ford transportation fits into the spring picture.

The 1939 models of the Ford V-8 and DeLuxe Ford V-8 combine the

the Ford V-8 and the DeLuxe Ford V-8 cars is their silence, achieved as a result of exhaustive road and laboratory research into the cause and correction of car noises. By minor changes in design and by use of newly developed insulating materials, engine, and road noises are effectively kept out of the car. Interiors are comfortable, convenient,

at a glance the condition of the battery. The parking brake lever, which actuates the brake shoes in the rear wheels by means of steel cables, is under the instrument panel to the left. The drivers' seats are adjustable in all body types. DeLuxe cars are equipped with two sun visors, the Ford V-8 with one. Both have dual windshield wipers with a single control, and twin electric air horns.

Both in size and price range the Mercury 8 takes its place between the DeLuxe Ford V-8 and the Lincoln-Zephyr V12. It is a big car and a powerful one, powered by a V-type 95-horsepower engine. The wheelbase is 116 inches and the overall length just over 16 feet. Brakes are hydraulic.

All the four body types available on the Mercury 8 chassis are extra wide, and seat three persons comfortably in front and rear seats. The body types are a town sedan, sedan, sedan-coupe and sports convertible.

Wide visibility for driver and passengers result from low belt and cowl lines. The running boards are narrow and the space gained is utilized inside the body which is widest at seat level. The interior spaciousness and the unusual luggage capacity were achieved without excessive body overhang, as a result of able designing.

The body interiors are quiet as well as roomy. With the windows closed passengers can converse without raising their voices even at high road speeds.

4000 AUTOS CROSS BORDER FOR HOLIDAY

Nearly 4000 cars crossed border ports on Thursday night and on Good Friday for holiday trips to the United States. The movement, customs officials report, was decidedly bigger than last year and was aided by the fine, mild weather.

At the Pacific Highway port, 425 cars went south Thursday night and 1600 went south on Friday, a movement totalling 2000 cars. The traffic through Douglas was more than 1200 cars, a jump of 50 per cent., due partly to interest attracted by work on the Peace Arch park and partly to motorists avoiding the line-up at Pacific Highway. About 600 cars passed through Huntingdon and Aldergrove. It is estimated the 4000 cars carried about 15,000 persons.

The north-bound movement of American cars on Friday totalled about 1000 cars.

features of economy and comfort in a manner to challenge much more expensive automobiles. These facts you will see for yourself if you visit Abbotsford Motors, local Ford V-8 dealers. They have both models as well as the new member of the Ford family, the Mercury 8, ready to demonstrate to you. Inspect them, try them out and see for yourself if they do not offer you the opportunity to go places and do things this summer like everyone else is doing.

All three cars are equipped with hydraulic brakes. All offer refinements in design and many mechanical advances and improvements.

A feature of the bodies of both

and smartly upholstered and equipped.

The Ford V-8 for 1939 has a full grille and unobtrusive louvers at the rear of the hood sides. Headlamps are recessed into the fenders. Decorative touches include a radiator grille ornament which incorporates a compact hood latch and handle.

Both the new Fords have the modern gauges, glove compartment, grille for radio speaker installation, cigar lighter, ash tray, choke, throttle and other controls well grouped on newly-designed instrument panels. Both have headlight beam control operated by the touch of a toe, and a beam indicator on the panel. Both have a new instrument that shows

1939 Ford V-8 DeLuxe Tudor

This 1939 Ford V-8 will have a long, strenuous life over every type of road, yet it's prepared for hardships. It has had the benefit of all the accumulated Ford experience at building millions of cars—the benefit of every modern test for detecting unsoundness or flaw. We spend money to make sure your Ford V-8 will give you years of satisfactory service. We take pride in building the Ford V-8 and we want you to get a lot of satisfaction out of owning it. See your Ford Dealer for a trial drive.

HIGHLIGHTS OF THE FORD V-8

V-Type 8-Cylinder Engine • Hydraulic Brakes • Triple-Cushioned Comfort • Stabilized Chassis • Scientific Soundproofing • Low Prices

NEW FORD V-8

FORD MOTOR COMPANY OF CANADA, LIMITED: FORD, MERCURY, LINCOLN-ZEPHYR AND LINCOLN MOTOR CARS

1939 FORD CARS AND NEW MERCURY 8

PICTURED above are the two Ford V-8 cars and the new Mercury 8 announced by Ford Motor Company of Canada, Limited, for 1939. Top, Ford V-8 Fordor Sedan; centre, DeLuxe Ford V-8 Fordor Sedan; bottom, Mercury 8 Town Sedan. All three cars are individually styled. All have hydraulic brakes. The Ford V-8 is available in three models. It has a full grille and unobtrusive louvers at the rear of the hood sides. Interiors are roomy and well-appointed. The DeLuxe Ford V-8 has wholly new

streamlines, a deep hood unbroken by louvers, a low radiator grille in bright metal and wide spaced headlamps. Both Ford cars are powered with the improved 85 horsepower engine. The Mercury 8 is entirely new to the Ford-Lincoln line and fills a place between the DeLuxe Ford and the Lincoln-Zephyr. It is a big car with a 116-inch wheelbase. Its V-8 engine develops 95 horsepower. The front end design with low radiator grille reflects Lincoln-Zephyr styling. There is a choice of four body types.

Matsqui

The teachers at the elementary school went home for Easter, Miss Margaret Stewart to Vancouver, Miss Doris Heath to New Westminster, Miss Eleanor Cameron to Victoria, and Mr. Lester Peterson to Gibson's Landing.

Miss Freda Igeland, R.N. has returned to Vancouver after tending her mother, Mrs. J. M. Igeland, who has been ill.

Misses Pauline Kerr and Evelyn Thompson, nurses-in-training at Vancouver General and Mr. Fred Simson visited Mrs. Blanche Kerr on Sunday.

Miss Audrey Kerr is visiting her aunt, Mrs. C. J. Simmons, of Vancouver.

Mr. and Mrs. Curley Kemp and Mr. Frank MacPhalen of Vancouver visited Mr. and Mrs. J. Kemprud over the weekend of April 2.

Mrs. I. Hodgins visited with her two daughters in Milner last weekend. Mr. and Mrs. Ed Harrington visited Mr. and Mrs. L. Hodgins on Sunday, and Miss Norma Mufford is visiting during the holidays.

Mr. and Mrs. Emil Erlandson and family of Bellingham visited Mrs. C. Erlandson last weekend.

Mr. Paul Paulgaard is visiting his children at Provost, Alberta.

Miss E. Carlson spent the Easter vacation with friends on the Island.

The Baptist Ladies Aid will hold its monthly meeting at the home of Mrs. Emil Flodin on April 19.

Mrs. F. B. Hansen, Mr. Harry Hansen and Raymond Hansen spent the weekend with Mrs. P. Hendrickson of New Westminster.

Mr. and Mrs. A. Wilson and daughter of Haney visited with Mr. and C. Currie on Good Friday.

Mr. and Mrs. Oscar Johnson and family have returned to Regina.

Mrs. J. McGee and Miss Helen McGee of Edmonton have been visiting Mr. and Mrs. H. Snethun.

Mr. and Mrs. T. Rottloff, Mrs. J. Kemprud and Miss Grace Hurum are visiting in Seattle.

Miss Eunice Olson and Mr. Harry Peterson of Vancouver visited Mr. and Mrs. J. Olson on Sunday.

Mr. and Mrs. B. Hagen and daughter of New Westminster visited with Mr. and Mrs. O. Sorenson on Good Friday. Mrs. Hagen and daughter have just returned from Norway where they were visiting for a year.

Mr. Bill Norrish is home from Normal for the Easter holidays.

Mr. C. Sleasman and granddaughter Ardell Triplett, Mr. Sidney Sleasman and Miss Leta Barthow of Sumas, Wash. visited Mr. and Mrs. J. M. Igeland on Sunday. Mrs. C. Sleasman, who was tending her mother, returned with them.

Miss Shirley Crist celebrated her tenth birthday Thursday with a party. Those present were Misses Edith and Betty Adams, Katheline Conroy, Muriel Barron, Joan Archer, and Masters Donald Mundy, James and Walter Vosburgh, Louis Swoboda and Raymond Hansen.

At the Lutheran Ladies' Aid social last Wednesday net proceeds were about \$10.

English service will be held in the Lutheran church this Sunday at 3 p.m.

Mr. Gordon Johnson of Preston, Wash., has been holding services in the evening in the Baptist church. Sunday evening a Sunday School program was held.

Mr. and Mrs. August Edlund, Messrs. Gordon and Leslie Edlund, of Aberdeen, Wash., and Mrs. G. Rodin of Seattle visited Mr. and Mrs. J. Westlin over the holiday weekend. Mr. and Mrs. Edlund are leaving for a tour of the Scandinavian countries next month. Mr. and Mrs. E. Hedin of Ferndale, Wash., will accompany them.

Mrs. E. Carlson is spending the week with her daughter, Mrs. T. R. Igeland, in Seattle.

Peardonville

Miss Hazel McInroy is spending a week in Vancouver with her brother and sister-in-law, Mr. and Mrs. R. McInroy.

Mr. Gustave Vesterback is home from Normal school for the holiday.

Miss Muriel Anderson left Thursday for Victoria where she will spend the vacation with her parents.

Mr. Aubrey Taylor returned Saturday to work at Squamish.

Miss Jean Fraser is spending the holiday with her parents in Vancouver.

Mr. R. Gamble left Saturday for a visit to the prairies.

Mr. Edward Prout spent Sunday with his parents in Vancouver.

Sumas District

Mrs. M. F. McDonald, Miss Benie Little and Mr. R. McDonald were guests of Mr. and Mrs. C. M. Baynes during the week.

Mr. and Mrs. Anderson and Mr. and Mrs. McAllister of Vancouver visited Mr. and Mrs. Ross Smith on Sunday.

Mrs. T. York was a patient in the M.S.A. hospital last week.

Mrs. Pat Reid of Ladner and Miss Rose Buchanan, Vancouver, spent the weekend with Mr. and Mrs. D. Buchanan.

Kenneth Corbett was pleasantly surprised at his home on Thursday evening by 25 of his young friends. Music and games were enjoyed during the evening after which ice cream and cakes were served.

Miss Norma Buchanan is spending part of the Easter holidays at Ladner with Mrs. Pat Reid.

Fifty relatives and friends gathered at the home of Mrs. R. Harris on Easter Sunday to help her celebrate her birthday anniversary. The gathering included relatives from Huntingdon and Sumas, Wash., and those from a distance were Mr. and Mrs. Gene Crouter of Sedro Woolley, Mr. and Mrs. McMoran of Bellingham and Mrs. D. McDickie of Tacoma.

Miss Marion Smith is spending the holidays with relatives in Vancouver.

Guests at the home of Mr. and Mrs. E. Austin over the Easter weekend were Mr. and Mrs. Bishop Miss Burley, Mr. Holland of Seattle and Mr. Ira Searl of Victoria.

Mr. and Mrs. E. B. McPhail and family were Vancouver visitors over the weekend.

Mr. and Mrs. Craft had as their visitors on Sunday Mr. and Mrs. Anderson of Vancouver.

Mr. and Mrs. Sam Austin and family spent the Easter weekend with relatives at Ladner.

The Cribbage Club held their last meeting of the season at the home of Mr. and Mrs. M. Nelles on last Thursday evening with five tables in play. Prize winners were Mr. and Mrs. Anke, Mrs. M. Nelles, Mr. R. Harris, Mrs. J. Hunter and Mr. P. Starr.

Mrs. W. Wells of Red Deer, Alta., and Mrs. J. Bates of Vancouver were visitors with Mr. and Mrs. K. McGillivray on Sunday.

Easter week visitors at the home of Mr. and Mrs. Fred Nelles were Mrs. Peterson and daughter, Carlene, and Mrs. Harding of Tacoma; Mr. Dan McKinnon and son, John, Mr. McKinley and Mr. and Mrs. Bert Smith and daughter, Maria, of Vancouver.

Clayburn

CARD OF THANKS We wish to express our sincere thanks and appreciation to our many friends who were so kind to us during our recent bereavement and also to thank them for the beautiful floral offerings.

Fred W. Rudge and family.

Aberdeen

The regular meeting of the Ladies' Association was held Thursday, under the leadership of Mrs. J. K. Gledhill. Several pieces of work for the Fall sale were received. A financial report was given by Mrs. A. E. Gledhill of the concert held in the Hall, also at Mt. Lehman, and the secretary was authorized to issue cheque covering profits of these two events also from concert to be held at Bradner on Thursday evening, to the Building Fund of the Community Club.

Many friends and relatives called to offer their congratulations to Mr. and Mrs. W. Fleugal, on the occasion of their 45th wedding anniversary.

Mr. K. Goldsmith has obtained employment at Mission.

Mrs. Harry Fowles entertained recently for the birthday of her daughter Margaret, and son Walter, when a jolly time was had. The table was prettily decorated and the two birthday cakes contained all the interesting tokens for such an occasion. The invited guests were: Elsie Smellie, May and Jean McKendrick, Lily and May Solomon, Sheila and Eileen Towlan, Helen and Eva Reddicopp, Norman and Harold Solomon, Tom McKendrick, Albert Gurton, Jackie and Keith Jackman, Peter Reddicopp, Calvin Smellie, Len and Reg Wasenuck, and Jerome McDonald.

Mr. and Mrs. Howell and son Douglas, and Mr. and Mrs. McDonald of North Vancouver were guests of Mr. and Mrs. T. Layman on Sunday.

Visitors of Mr. and Mrs. Middleton on Tuesday were Mr. Middleton's mother and sisters Mrs. N. Breadner and Miss Middleton, Mrs. C. Taber, sister of Mrs. Middleton, and Mrs. Wm. Cox, all of New Westminster.

Bradner

St. Margaret's Guild held its monthly meeting at the home of Mrs. G. H. Loach, with Mrs. Pennington presiding. The chief topic was the Fall Sale of work, and considerable material was given out to be made up for this event.

The Bulb Growers Association is holding a Flower Show in the Hall, on Saturday. Afternoon Tea will be served. The admission is free.

A meeting of the Community Club was held on Monday, when principal discussion related to the celebration and sports generally held on May 24.

The Library Van will call on Thursday, April 13, at 10:25 a.m.

Mrs. Winchester, who has been a guest for a few days of Mr. and Mrs. Gibson, Vancouver, has returned home.

Mr. V. Ronholm and Mr. J. Elliott, Jr. have obtained employment at Squamish.

A quiet wedding took place recently in Vancouver with the Rev. Canon King officiating, of Miss Muriel McMahon, daughter of Mr. and Mrs. A. McMahon, and Mr. Frank Johnson, of Wood Fibre. On their return from the South, Mr. and Mrs. Johnson will reside at Wood Fibre.

A concert and dance was held in the Hall on Thursday, when the Aberdeen Players repeated the plays "An Irish Stew" and "Too Much Matrimony." Others taking part were Mr. Mark Holloway, vocal, accompanied by Miss Gail Gledhill at the piano; a trio of little girls, Lydia and Mary Kron and Koreen McKinnon, who sang to the accompaniment of a guitar played by Mary Kron; recitation by Ruth Allan, and an accordion solo by T. McMath. Mr. S. McRae, principal of the school, was chairman.

Huntingdon

HUNTINGDON ETAT Murray Martin celebrated his 11th birthday April 5. In the afternoon he had as guests Pat and Michael Sterry and Earl Kersley to enjoy a dinner and the four boys attended the theatre later.

Miss Nellie Johnson of Concrete and Miss Juanita Bishop of Sumas were dinner guests last week at the home of Mr. and Mrs. R. McConnell.

Arthur Skinner, his two sons and his daughter and daughter-in-law visited Tuesday at the home of his days last week with Mr. and Mrs. sister, Mrs. F. J. Tapp.

Miss Jane Leavitt visited several Q. Tessaro and family.

Mrs. J. Brown and family motored to Olympia last Tuesday and spent the vacation visiting with relatives and friends. Bill returned on Sunday to resume his studies.

Miss Thelma Yarwood, a nurse at Royal Columbian Hospital, visited last week with her parents.

Mrs. Yarwood was hostess at the tea hour on Monday.

BADMINTON

beat Kay Webster 11-8, 15-17, 11-9. M. S. A. players and Fraser Valley entries generally are making splendid showing and indications are they will retain a fair share of the array of silverware offered victors in the finals Thursday night.

While local and valley players are mostly travelling daily by car many others are at local hotels or billeted in the town and district. More than 60 players are being accommodated in local homes.

Abbotsford

A Daffodil Tea is being held at the home of Mrs. E. A. Barrett, Abbotsford, on Wednesday, April 19, under auspices of St. Matthews W.A.

Recently THE NEWS hung out a modest sign that reminds the passerby not to forget to insert his "Want Ad" and where printing is done well, cheaply and quickly. This week the signs all the way down the street experienced a spring clean-up and paint-up campaign.

The M.S.A. Welfare Association is holding a social evening on Wednesday, April 19, in the Men's Club hall. All members and friends are invited to attend.

Mr. and Mrs. S. Hiemstra and family have moved from their Kilgord home to the farm on the Yve road formerly operated by Mrs. Ruth Bolster. Mr. Hiemstra purchased this 40 acres adjoining a 40 already held, and modern home some time ago. Mr. and Mrs. C. R. Wilson will occupy the house vacated by the Hiemstras.

Miss Beryl White Abbotsford

James Stevenson

Funeral services were held Thursday for James Stevenson, 84, of South Aberdeen road, a pioneer railroad and construction engineer, whose death occurred at New Westminster on April 4.

Mr. Stevenson was engaged in construction of the Grand Trunk Pacific Railroad across Western Canada, and retiring from active railway building 26 years ago, settled near Aberdeen.

Mr. and Mrs. Stevenson celebrated their golden wedding four years ago. They were married in Scotland, his birthplace.

Besides his wife, he leaves a son, John B., of Vancouver; three daughters, Mrs. J. H. B. Smith of Wolf Creek, Alta., Miss C. Stevenson and Miss N. Stevenson of Vancouver.

Services were held at the graveside in Aberdeen Cemetery, with the Rev. E.W. Horton of Murrayville officiating. The pallbearers were John Catto, T. Penzer, Arthur Ross, H. Henry, J. A. Gledhill and A. E. Gledhill.

Mrs. Agnes Sarvis

Dr. and Mrs. E. S. Sarvis and Bradley and Carol have returned to Sumas, Wash., from Blindloss, Alberta, where they attended the funeral of his mother, Mrs. Agnes Sarvis, 80, who died at Innisfail, Alberta, March 27.

Mrs. Sarvis was well-known in Sumas and Huntingdon, having visited with Dr. Sarvis and family several summers.

Besides Dr. Sarvis, she is survived by another son, Goldwin of Blindloss, and a daughter, Mrs. B. Kirkpatrick of Innisfail. She had been in the hospital for the past five months, but had been showing improvement shortly before her death.—The Sumas (Wash.) News.

Mrs. Janet D. Rudge

Amidst the beautiful floral tributes from many friends, funeral services for the late Mrs. Janet Dyer Rudge, wife of Fred W. Rudge of Abbotsford, were held in Vancouver on Thursday afternoon. Rev. F.S. Henderson of St. Matthew's Anglican church, Abbotsford, officiated and interment took place in Forest Lawn Memorial Park. The hymns, "Abide With Me" and "Peace, Perfect Peace," were sung. The pallbearers were Alex Matheson, Elliott Cunningham, Jay Starr, J. Tewsley and Q. W. Benedict.

The late Mrs. Rudge was born in Quebec City, P.Q., 64 years ago, the eldest daughter of the late Mr. and Mrs. Bartholomew Stapledon, moving to Victoria at an early age. There she later married Mr. Rudge and they lived at many points on the northern B.C. Coast before settling at Abbotsford in 1915.

Design for a New Home
That Would Look Nice in
a Fraser Valley Setting

FIRST FLOOR PLAN

SECOND FLOOR PLAN

The excellence of Dutch colonial architecture makes itself apparent in this home. A long sweep of roof and use of varied materials assure opportunity for an attractive color scheme, and the square plan assures low construction cost. Large, light, airy rooms are a feature of

the interior, where a fireplace, numerous built-in conveniences and an unusual amount of closet space contribute to the livability of a house of this type. It can be built in Abbotsford under the N.H.A. plan of easy payments spread over a period of years.

THE LIBRARY CORNER

The Useful Arts Up-To-Date

We are continually recruiting as new library readers, residents of the Fraser Valley, old and young, who had not previously realized how complete and up-to-date are the library's holdings in the various fields of the useful arts—engineering, agriculture, health, radio, home economics, etc. The following recent additions to the library book stock are listed in order to give the smallest hint of what is available.

Handbook of Engineering Fundamentals, by Eshbach, 1936. Fundamentals of Radio, by Terman, 1938. The Working Girl Must Eat, by Young, 1938. Food economy for this pillar of society. Advertising Layout and Typography, by De Lopatecki, 1935. Modern Publicity, annual of Art and Industry, 1938-39. Complete Course in Canning, 1936; Industrial formulas and practice. You Can Sleep Well, by Jacobsen, 1938. Everyday First Aid, by Cobb, 1937.

Short History of Naval and Marine Engineering, by Smith, 1938. Automotive Service, by Kuns, 1938; two volumes packed with up-to-the-minute information for the service man. Locomotive Cyclopaedia, 1938, prepared by the Mechanical Division of the Association of American Railroads. Wood Preservation, by Hunt and Garratt, 1938; from house painting to industrial creosoting. Practical Plumbing, by Hall, 1937.

None of the other fields are neglected, for example: Validity of Religious Experience, by England, 1938. Enquiry into the Principles of Good Society, by Lippman, 1937. Science and Common Sense, by Thompson, 1938. Gardening; a Complete Guide, by Free, 1937. One of the most useful recent books for the flower or vegetable gardener. Refurnishing the Home, by Knauff, 1938. Writing as a career, by Ussell, 1938. Vagabond Voyaging, the Story of freighter travel, by Nixon, 1938. useful information for this kind of voyager. German Octopus; Hitler's bid for world power, by Wolfe, 1938.

MEDICAL SCHEME IS OUTLINED IN MAPLE RIDGE

A plan for a contributory medical scheme for relief recipients is being considered in Maple Ridge Municipality. The municipality will pay, according to the plan, \$1 per month per family, and in addition the person calling medical aid will pay 25 cents each call. The recipient will work out the \$1 charge by an extra day's relief work every three months.

Officials Find Victims of Careless Sportsmen

Harry Armstrong, left, member of the New Jersey board of fish and game commissioners, together with Deputy Game Warden M. M. Barrien of Trenton, are shown a number of does and deer shot in one day near Pasadena, N. J. All of these were killed illegally and abandoned in the woods by hunters.

DAIRMEN FROM U.S. ATTENDING VALLEY SALES FOR REGISTERED STOCK

Top prices received by Auctioneer J. B. Dennis at the sale of the Archie Anderson dairy herd in Matsqui on Thursday was \$60, paid for a Guernsey. The average price received was about \$45. Holsteins predominated.

At the Bert Reade sale at Sardis the previous Tuesday the average price received was \$60 and included a calf and an open cow. The top price was \$100. The animals were registered Guernseys and as such attracted several buyers from Washington. Four of the animals were bought by Lynden dairymen.

At the auction sale of horses, also conducted last week by Auctioneer Dennis, the average was \$71 with a top of \$150 paid for a 7-year-old mare. A 3-year-old colt brought \$122.50. An unusual price was secured at the Shontke sale, Sumas Prairie, when an aged team brought \$185.

EVANS' PEN HOLDS TOP POSITION IN AGASSIZ CONTEST

F. C. Evans' pen of White Leghorns from Peardonville, Matsqui, continues to lead the B.C. egg laying contests at Agassiz with a total of 1063 eggs and 1255.7 points.

HIT ON BRITISH MARKET

"The quality of the Canadian milk-fed chickens on this market is exceptionally good and these buyers who have sampled are giving repeat orders."—Modern Meat Marketing, London England.

Fox Farmer—Wins \$532,153 Suit—Tennis Queen

Returning from a sojourn of five months in the far north of Alaska, on Ushigat island, which she leased from the government, Miss Kay Baker, West Virginia socialite, arrived in Seattle with 20 foxes that she had raised. Center inset: Margaret Ayer Barnes, Pulitzer prize winner in 1931, who with Edward Sheldon, bed-ridden writer, was awarded damages of \$532,153 for the plagiarism of their Broadway success, "Dishonored Lady." The court held that the movie, "Letty Linton," infringed on their play. At the right: Miss Marguerita Madden, 16, Boston, winner of the girls' national indoor tennis title in recent New York matches.

The WEEKLY DOZEN TWELVE PARAGRAPHS

... More or Less
(from The Sumas (Wash.) News)

Dr. E. S. Sarvis wrote another chapter in his history as an automotive hunter Monday evening, and as usual, he wrote it in his check-book!

While he was driving near Fernie, B. C., a band of range horses suddenly dashed across the road right in the path of his car, and he nicked one with his headlight and fender, which were badly damaged.

Dr. Sarvis was prepared to perform an emergency operation on the horse, but the animal said "neigh, neigh!" and disappeared into the woods.

Only a couple of weeks ago, Dr. Sarvis' car came out second best in a collision with a little doe near here, and he's thinking seriously of

PURCHASE OF WATER SYSTEM APPROVED

Hon. A. Wells Gray, minister of lands, conferred with the village council of Creston last week in regard to a bylaw to borrow \$35,000 with which to purchase the local privately-owned domestic water works system. Recently an offer of \$15,000 of 5 per cent bonds to take care of the initial payment was over-subscribed in the locality.

replacing his front bumper with a cow-catcher like the railroad engines use.

P.T.A. TEA AT ABERDEEN

An Easter tea was held on Thursday last by the Aberdeen P.T.A. in the basement room of the school, the purpose of which was to augment the Picnic Fund. The room was attractively decorated with daffodils and a pupils' work display also added an interesting effect to the appearance of the room. Pupils Dorothy Denny, Annie Foster, and Margaret McNally, effectively attired in Dirndl tea aprons, assisted in serving tea to approximately 20 parents. Mr. T. W. Hall was the guest speaker.

LITTLE CHATS ON FARM MANAGEMENT

Farm Investment; Effect on Income

In the recent study of Ontario dairy farms shipping milk to cities, it was found that efficient use of capital invested per farm has an important bearing on the income a farmer receives and also on his cost per hundredweight of milk produced. This study, directed by the Economics Branch, Dominion Department of Agriculture, Ottawa, and the Ontario Agricultural College, covers the 1936 crop year. The measure of efficiency used was the number of years required for the cash receipts to equal total investment.

A group of 106 farms, which required four years or less for cash receipts to equal investment, had an average operator's labor earnings of \$1,194 and an average milk cost of \$1.92 per cwt. The group of 76 farms requiring over six years for cash receipts to equal investment had an average operator's labor earnings of (minus) \$-26 or a loss of \$26 for their year's work and their average milk cost was \$2.33 per hundredweight. In other words, the first group received \$1,220 more for their year's work and had a milk cost of 41 cents per cwt. less than the last group.

INVESTMENT

The average investment per farm in the first group was \$14,244 and in the second group, \$16,938. This indicates that the wide difference in returns come from the uses made of the capital than from differences in the amount of investment. To build up the volume of revenue and to use the capital invested in land and buildings to best advantage, it is necessary, therefore, to have high rates of livestock and crop production. These rates of production refer to such factors as yield per acre, milk produced per cow, eggs per hen, etc.

Another consideration concerning capital investment is that prices at which land is sold usually do not vary as much as the net returns from land. Studies made of prices at which and was sold and the incomes on hundreds of farms in New York State which are somewhat similar to those in Ontario, indicated that, if incomes are considered, sale prices tend to be too high for the poorer classes of soils and too low for the best classes in any district.

TAX RATIO

This same tendency to average values of land is also found in Canada. A study of 733 farm records in the years 1929 to 1931 on farms in Eastern Canada revealed the fact that farmers having incomes of

\$1,000 or less paid over 30 per cent of the incomes in municipal taxes, while those having incomes of \$3,000 or more paid less than 7 per cent in municipal taxes. This would indicate that assessors, who are in many respects the best qualified of any rural residents to know land values, tend to average the values rather than to recognize the full difference in earning power which exists. This means that a farmer, on poorer than average soil, probably paid too much for it on the basis of its net productivity and will find it difficult to make cash receipts equal investment in average or less years.

TOBACCO

(Continued From Page Two)

Dominion Experimental Station at Harrow. This type of tobacco has increased more than 300 per cent. In the past decade. Furthermore, new flue-cured varieties have given higher yields to the grower and a better quality tobacco to the manufacturer.

Variety has also been important from the standpoint of burley tobacco. Shortly before the Great War, black rootrot had become such a serious menace on some of the best burley-producing soils that tobacco production was discontinued on a great many farms.

New varieties showing resistance to this disease were introduced into the tobacco districts of Ontario by Dr. James Johnson of Wisconsin University and were exceedingly popular for the next decade, or until the demand for a high quality cigarette type of burley became apparent.

This time the gap was filled by a Canadian variety, Harrow Velvet, a product of the Dominion Experimental Station, Harrow. It has been stated on good authority that, had this variety not appeared, burley would have declined much below present production. Harrow Velvet is distinctly a cigarette type of burley and also is highly resistant to black rootrot. Other burley varieties such as Halley's Special, Gay's Yellow, Judy's Pride and Kelley were introduced during the past decade as intermediate varieties. They are all susceptible to a black rootrot. This disease is a serious factor in the production of dark tobacco, but new varieties are being developed which, it is hoped, will relieve the situation.

MUNICIPALITY VOTES 'LIGHTS OUT,' DEFEATS NEW SCHOOL ALSO

Maple Ridge voters defeated a by-law 512 to 327 Saturday providing for renewal of a street lighting contract with the B.C. Electric company. The old contract expired last month and the lights turned off.

A bylaw for a new \$55,000 high school, also requiring 60 per cent majority, was lost with 471 votes for and 374 against.

J.J. McGregor won the municipal council seat in the Ward Four by-election with 70 votes to 41 for A. Hawkins.

DISTRICT DOINGS IN SPORT

Five-Team Softball League?

Four teams of softball will this season comprise the local league of 'big applers' in the M.S.A. League. The teams are: a high school squad sponsored by Dr. H. B. Cannon, one by H. S. Andrews, one from Sumas, Wash., and quite likely one from the Elks. The boys are hoping to encourage one more team sponsored by local merchants to make a five-team house league. All this came up at the meeting held Thursday at which J. S. Daly was elected president, Harry McDonald, secretary. Vice-presidents are H. S. Andrews and F. Sterling.

Word has not yet been received as to whether or not the local boys have been accepted in Vancouver leagues, but things look bright for fans to see city players in Abbotsford for Sunday games this season.

Another meeting will be held in the public school on the 20th, by which time all entries of teams and players must be in the hands of the secretary. May 1 should see the beginning of active competition on the little diamond.

A. A. A. TO SPEND \$35 ON BLEACHERS FOR LACROSSE BOX

New seating for 150 fans of lacrosse will be erected around the boxa box. The new seats will be a section of the bleachers 90-feet long and three tiers high, to cost \$35. This money was appropriated at the A. A. A. meeting Monday night.

The meeting presented Jack Watson, secretary of the association, with a gift and best wishes, in recognition of his much-appreciated work for the association.

ABBOTSFORD OUT AFTER ROYAL STANDARD CUP SUNDAY AT LANGLEY

Abbotsford soccer team goes to Langley on Sunday to play for the Royal Standard Cup against the team from that town. This is the last game of the season for the local eleven and also their last chance to cop a cup.

Members of the team are asked to meet at the Canadian Legion dressing rooms at 1:30 p.m.

CLUB MEMBERS ENJOY FLIGHTS AT SEA ISLAND

The local flying club had a successful trip to Sea Island Sunday. Each member and friend who wished to fly was given a free flight in the 'plane the club intends to purchase. The weather was fair at the Vancouver airport and there was much flying activity there. Mr. Hal Wilson, senior instructor of Vancouver, and Mr. L. S. Hudson of Mission demonstrated the 'plane for the club.

Provincial Recreation Centre Notes

The season's first annual display was held in Mission April 4. The boys from Sumas won the tug-of-war by pulling Haney over the line. Next in line is Haney, April 24; Abbotsford, April 28; Cloverdale, May 1. Small groups in the various centres are working on specialty numbers. The ladies of Cloverdale enjoyed a pyramid contest won by Irene Harvey, Ruth McKeen, Janet Laird Runners-up were Jean Shannon, Mable MacDonald, Joan Allen. The annual mass display will again take place in the Forum, Vancouver on April 21. Tickets, 35c and 25c. Members participating, free. The Pro Rec gym championship takes place April 20 and the boys had a special practise at Aldergrove April 10. Thirty members from Cloverdale, Willoughby, Abbotsford, Pear-donville, County Line and Aldergrove were present.

"B" TEAM "CASES" EARLE KERR AT WIND-UP PARTY

A wind-up party for Matsqui basketball and badminton clubs was held on Thursday night in the Matsqui hall. In appreciation of his work the Inter B team presented Earle Kerr with a travel case. Games and dancing passed the rest of the evening. Refreshments were served.

Abbotsford

C.F.V. Fair Board executive and committees are meeting tonight to prepare the prize list for publication.

Both morning and evening services were well attended on Easter Sunday at Trinity United church. Appropriate music was rendered by the choir. The soloist in the morning was Mrs. Coultis and for the evening, Mrs. Bell and Miss Eva Wilson.

Completely renovated for spring, Bob's Lunch is open again for business with everything freshened up in keeping with the season—a new paint and interior decorating job.

T. G. Stewart, Dominion Livestock Organizer, was an Easter weekend guest of Mr. and Mrs. Dan Hunt.

Miss Beryl White has greatly improved the appearance of the Singer Store and is now effectively displaying spring hats and dresses.

Mrs. M. Ware Copeland of New Westminster is visiting with Mrs. P. Wilson.

Mrs. W. Cains of Sooke, V.I., is the guest of her brother-in-law and sister, Mr. and Mrs. E. Swalle.

Joe Langlois takes his 12-oz. mittens to Chilliwack tonight to represent local athletic activities on a boxing card.

Mrs. C. Fraser and her son, Billy, are spending the Easter holidays in Trail with Mr. Fraser.
